

Faculty Positions (Open Rank)
College of Communication
National Chengchi University (NCCU), Taiwan

The College of Communication at National Chengchi University is the longest-standing communications school in Taiwan and leads the nation in communication research and education. With many Outstanding Research Award recipients, the college is constantly pushing the boundaries of communication research. For the past few decades, it has cultivated numerous leaders and professionals in various communication industries, both in Taiwan and in the greater Asia area. As a highly integrated institute, the college reviews and modifies its curriculum and educational policies regularly, which enables it to effectively adjust for the ever-changing communication environment.

The college invites applications for the position of assistant/associate/full professor of communication from candidates with expertise in one or more of the following areas: (1) Communication content design, (2) Narrative imagination, design, interaction and application (digital/ social media), (3) Data-driven story-telling, and (4) Other research expertise

Applicants should demonstrate a long-term commitment to excellence in research and teaching in the above-mentioned areas. A record of high-quality research, teaching, and professional experiences in related fields will be highly valued. The successful candidate will join a diverse group of faculty in various aspects of communication research and practices. The selected candidate is expected to play a major role in the advancement and development of the College of Communication.

Candidates should hold a Ph.D. or expect to have completed a Ph.D. by the start of employment. Interested applicants should submit application materials through the following online link: goo.gl/NxgQuR. All the application materials should be received by 5pm, September 17, 2018. The College of Communication covers travel expenses for the faculty recruitment candidate.
