

Who we are...

The Education Division of TECO-NY aims to promote teaching and learning of Mandarin Chinese and Chinese culture through creative partnerships and scholarships. We serve students, scholars, and schools in Connecticut, New Jersey, New York, and Pennsylvania.

What we offer...

華語文獎學金

Huayu Enrichment Scholarship (HES) gives a generous stipend to those interested in learning Mandarin Chinese at one of Taiwan's outstanding language centers for summer, 3, 6 or 9 months.

臺灣獎學金

The **Taiwan Scholarship** is for outstanding and determined scholars who plan to study for a degree (bachelor's, master's or doctoral) at a participating university in Taiwan.

{ applicants must be US citizens
application period 2/1 - 3/31 each year }

Short-term Mandarin Study Groups for U.S. Students

Visit Taiwan as a group to take courses in Mandarin Chinese and Chinese culture! Schools may form groups of at least 5 for short-term (no more than 4 weeks) study at a sister school or affiliated language center. Each group member will be subsidized \$90 per week.

Get Tested: Chinese Language Exams

Assess your proficiency in the Chinese language with TOCFL or CCCC.

TOCFL tests reading, listening, and writing comprehension.

CCCC is specially developed for young, non-native learners, ages 7-12.
