

Introduction

Yi Ming Senior High School is one of the nation's top schools for high-quality, well-rounded education for students from junior to senior high school. It is a private school located in Hsinchu, Taiwan. Yi Ming Senior High School consists of three fields, one is junior high school, another is vocational high school and the other is senior high school. The Yi Ming High School consists of general high school classes (elite classes) and vocational school of four departments. Yi Ming is in the unique position of being able to offer students an internationalized, 6 years' holistic education.

Yi Ming Senior High School is located in 15, Chong-Cheng West Road, Zhubei, Hsinchu County which is near the HSINCHU SCIENCE PARK. It's in the center of Zhubei, and is surrounded by a library, a post office, and the Zhubei City Hall. Yi Ming is the best choice for teenagers.

History of Yi Ming

Yi Ming High School, previously called " Yi Ming Vocational High School", was founded in 1946. The School makes the most effective use of school's resources to devote to students' learning and do social welfare.

Yi Ming Senior High School is a private and coeducational school for students in grades 7 to 12. Yi Ming has been known as an innovative school, which is devoted to challenging and believing in that renewal and growth are fundamental. With this belief, Yi Ming Senior High School is dedicated to the Moral Education, Innovative Teaching, Yi Ming Tradition and Adaptive Development of its students.

Navigator of Yi Ming

Under President Pan's outstanding leadership, Yi Ming has been winning the recognition for its top academics and students achievements. In 2020, Principal Chen was promoted to lead the school to be diversified and internationalized. The school will be dedicated to becoming more international.
